NOTES:

I understand that I am here to learn about food choices, lifestyle and natural health practices, and that I will be offered information about food, nutritional supplements, herbs and homeopathy, based on sound scientifically-supported study. I have come of my own free will and acknowledge that (printed name) $\qquad$ , (signature) $\qquad$ will offer assessments based on formal training in natural health, and holistic ministry.

I fully understand that those who counsel me are not medical doctors and I am not here for medical diagnoses or treatment procedures.

I am not on this visit, or any subsequent visit, an agent for federal, state or local agencies, or on a mission of entrapment or investigation.

The services performed here are at all times restricted to consultation on matters intended for the maintenance of the best possible state of natural health and stewardship of the body, and do not involve the diagnosing, treatment or prescribing of remedies for disease.
